

**Concept Card**  
**CFCN 001 Digital Services Credential (DITAP)**

*Last Modified 9/27/2023.*

<b>Description</b>
The United States Digital Service (USDS) and the Office of Federal Procurement Policy (OFPP) collaborated to develop a specialized and immersive training and development program called the Digital IT Acquisition Program (DITAP). The Digital Services Credential (DITAP) ensures federal government acquisition professionals can design innovative and flexible procurements for IT/Digital Services and become change ambassadors. Visit the <a href="https://www.usds.gov">USDS.gov</a> website for more details.

<b>Target Audience</b>
FAC-C (Professional) certification holders assigned to acquisitions consisting primarily of digital services over <a href="#">FAR 13.500(c)</a> thresholds are <b>required</b> to attend DITAP training.
FAC-P/PM, FAC-COR Level II or III certification holders assigned to acquisitions consisting primarily of digital services over <a href="#">FAR 13.500(c)</a> thresholds are <b>encouraged</b> to attend DITAP training.
